

Wedgwood Academy
2018-2019

During the course of the academic year, Wedgwood Academy may wish to use photographs of Wedgwood Academy students on school bulletin boards, school brochures, and school website. Any such photographs would highlight the students either demonstrating learning techniques or participating in approved school activities.

There will also be times that video recording will take place. This video is exclusively used for training and supervision of our staff that work with our students. Video recording may also take place at approved school activities and may appear in promotional material.

**The names of individual students will not be released with any photographs/videos.
